Examiner's Statement of Reasons for Allowance

DETAILED ACTION

REASONS FOR ALLOWANCE

1. Claims 1-28 are allowable over the prior art.

2. The following is an examiner's statement of reasons for allowance:

With respect to claim 1, the prior art of record does not disclose nor suggest the use of multiple reflective surfaces for <u>sustaining</u> multiple internal reflections. US 6,150,666 to Englehardt et al does teach multiple reflective surfaces, but fails to disclose the use of the surfaces to sustain multiple internal reflections. As a result, claim 1 and dependent claims 2-10 are allowable over the prior art.

With respect to claims 11 & 23, the prior art of record does not disclose nor suggest that the multiple reflections occur between the reflective surface and the surface of interest. As a result, claims 11 & 23 and dependent claims 12-22 & 24-28 are allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
